We pride ourselves on serving freshly cooked food to order. Our attention to detail may mean that some of our dishes take a little longer to cook than others, particularly at busy times.

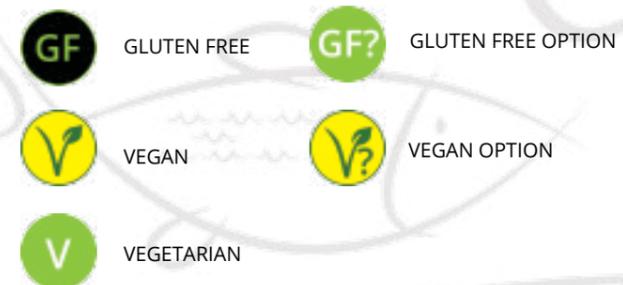

We always try to remove all bones from our fish, but unfortunately cannot guarantee that one or two won't slip through the net.

So please unwind, relax and enjoy your visit to The Pier House in the knowledge that our chefs are taking the time and care to create mouth-watering dishes just for you
