

The Pier House Pre-Order Form

Thank you for booking a table at the Pier House. For the convenience of your party and all of our other guests, we ask that groups should arrive 20 minutes before their allocated time of booking, and that the party "leader" informs the waiting staff of your arrival.

Please note that our chefs will expect that your party will be seated on time, and will begin cooking your food at the appropriate time, so to avoid any problems, please ensure your party is on time.

Please fill in the below sheet and return to the Pier House at least 24 hours before your booking. This can be done via email to thepierhouse@braddicks.com or in person.

Please mark them for the attention of The Pier House Restaurant.

If ordering a steak, please specify how you would like it cooked.
